Safety Rules for Inflatables

- ❖ Only children below 100 pounds are permitted on jumpers
- ❖ No more than 8 children shall be in a jumper at a time
- ❖ Shoes, eyeglasses, or sharp items, such as jewelry or hair accessories, are PROHIBITED in or around the inflatable units.
- ❖ Socks are required (for jumpers)
- ❖ No roughhousing, wrestling, or horseplay in or around the unit
- ❖ No climbing, hanging, standing or pulling on sides, tops or backs of the inflatable units
- ❖ Flips and somersaults are expressly PROHIBITED in or around the inflatable units
- ❖ No crawling under the bottom or edge of the inflatable unit
- ❖ No taping, fastening, tacking, or hanging anything to or in the inflatable
- ❖ Food, drinks, candy, gum, animals, silly string, or sharp objects are expressly PROHIBITED in the inflatable units at all times
- ❖ Keep all guests, especially children, away from the unit's blower at all times
- ❖ Children are to be supervised at all times.
- ❖ If customer chooses to deflate the equipment prior to the arrival of the pick-up attendant or crew, it must be re-inflated before it is packed up. The unit will be inspected and receive a preliminary cleaning before removal.

Should the inflatable unit begin to deflate:

- ❖ Remove all persons from the inflatable immediately
- ❖ Check to see if the motor has stopped; check the cord connection at the outlet and the blower.
- ❖ Check to see if the blower is still running, if so, check the air intake on the side of the blower for any blockage. Also check the inflatable tube to the blower for snugness and pull the strap for tightening, if necessary
- ❖ Call MEC Rental immediately, at 633-8453/489-3005, if you have any problems or questions regarding the equipment.

Should it begin to rain:

- ❖ Bouncers should be deflated
- ❖ Blower should be moved out of the rain
